

25th July 1984

Mrs H. Catterfeld,
37 Salisbury Road,
Harpenden.

Dear Heather,

Your two letters of 17th July were referred to the Committee and I am now able to reply fully.

Upper Lea Valley Guide

The Committee has agreed to provide £85 (approx) for the re-print of this booklet. Ian McNicoll was present at the meeting and therefore knows of the decision. I am not sure of the exact arrangement for payment, but presumably you will send Ian the invoice when you receive it.

Planning Applications

I note that Members of the Group feel unable to continue to deal fully with applications in the area. In actual fact the Plans Group has for some time been covering such applications, so this change will not add anything to their workload. I note, however, that your good people will continue to look at the weekly list, and I am sure that Leslie Matthews would much appreciate being alerted to anything which they feel should have consideration. I wonder, too, whether it would be a good idea if Leslie could have a name and phone number of someone he could contact if there is an application for which he feels some local knowledge would help. Perhaps you could contact Leslie.

Yours sincerely,

H.J. Bush,
Hon. Secretary.

17th July, 1984.

Jack Bush,
Hon. Secretary,
Harpenden Society.

Dear Jack,

Members of the Upper Lea Valley Group have directed me to write to ask for the assistance of the Harpenden Society.

As you will be aware this Group was set up approximately twelve years ago, essentially as a working group. Gradually the Group took on the extra responsibility of scrutinizing local planning applications with particular reference to applications affecting the eastern side of Harpenden with its inherent problems of industry and horsey-culture in the area.

The time has come when U.L.V.G. members feel unable to continue with this aspect of its work, primarily because it lacks the necessary expertise.

Members of the Group are willing to continue to receive the weekly planning list and look down it, pointing out to the Planning Group of the Harpenden Society any applications the Group considers worthy of investigation.

It is hoped that the Society will be willing to take on this vital task from the U.L.V.G.

Yours sincerely,

Heather Catterfeld.

Upper Lea Valley Group

Harpenden

17th July, 1984.

Jack Bush,
Hon. Secretary,
Harpenden Society.

Dear Jack,

Some weeks ago I spoke on the telephone to Ian McNicoll concerning payment for the reprint of the "Harpenden Upper Lea Valley Guide". He suggested that I should write officially to the Harpenden Society.

I have obtained an aural quotation for the reprint from the firm of printers who did the original print, the figure given is approximately £85 for 500 Guides.

As previously these would need to be distributed for sale in local shops at wholesale price.

I would appreciate the approval of your committee,

Yours sincerely,

Heather Catterfeld.
